CLUB & COUNCIL EXHIBITION ON 2026

A GRAND SHOWCASE OF TALENT!

Prestige Public School SSC proudly organized the Club & Council Exhibition, where our talented students confidently presented their innovative and creative projects.

The exhibition included a variety of subjects such as Marathi, English, Science, and Art & Craft Club. From expressive language displays and informative science models to beautiful handmade art and craft creations, every section reflected the students' hard work, imagination, and teamwork.

Parents enthusiastically visited the exhibition and appreciated the efforts of the students. Their encouraging feedback made the event even more special and motivating for our young achievers. It was truly a memorable day for the entire Prestige family!

CLAY MOULDING COMPETITION AT PRESTIGE PUBLIC SCHOOL SSC

Creativity came alive at Prestige Public School SSC as a Clay Moulding Competition was conducted for students of Std. I to IV. The young artists enthusiastically shaped their imagination into beautiful clay models.

From animals, butterfly, fruits, vegetables and cartoon character to creative objects, students showcased their talent, creativity, and fine motor skills through their wonderful creations. The activity encouraged students to think creatively and express themselves through art.

It was delightful to see the excitement and confidence of the students as they proudly displayed their colourful clay models. Such activities help in nurturing imagination, patience, and artistic abilities among children

FIELD VISIT TO AERONAUTICAL WORKSHOP

Prestige Public School SSC organized an insightful field visit for Std. VIII students to an Aeronautical Workshop, giving them a wonderful opportunity to explore the fascinating world of aviation and aeronautical engineering.

During the visit, students observed various aircraft components, tools, and techniques used in aircraft maintenance and manufacturing. Experts at the workshop explained the basics of aeronautics and shared valuable knowledge about career opportunities in the aviation field.

This educational visit helped students broaden their horizons and inspired them to think about future career options in science and aviation. It was truly a memorable and learning-rich experience for our young learners.

WOMEN'S DAY CELEBRATION AT SGI

On 8th March, SGI celebrated International Women's Day, creating an atmosphere filled with appreciation, respect, and cheerful moments. The celebration was made even more special as the male staff members took the initiative to thoughtfully plan and organize the entire event.

The highlight of the celebration was the gesture of gratitude shown by the male staff members, who presented small tokens of appreciation to all the women at SGI. This heartfelt act symbolized respect, recognition, and admiration for their continuous contributions.

The day began with a cheerful welcome, where women were greeted with smiles and small snacks arranged by the male staff, creating a friendly and festive atmosphere.

A series of fun-filled games were also conducted, bringing laughter, excitement, and a sense of togetherness. The games, carefully managed by the male staff, encouraged enthusiastic participation and created memorable moments for everyone.

MAGARPATTA COLLEGE OF HOSPITALITY STUDIES, PUNE ORGANIZED A SEMINAR ON “उच्च शिक्षणामध्ये महिलांचा सहभाग (WOMEN’S PARTICIPATION IN HIGHER EDUCATION)”

Magarpatta College of Hospitality Studies, Pune, successfully organized an insightful seminar on the theme “उच्च शिक्षणामध्ये महिलांचा सहभाग (Women’s Participation in Higher Education)”. The event aimed to highlight the growing role of women in academia and to encourage greater inclusion, empowerment, and equal opportunities in the field of higher education. The event concluded on a positive note, reinforcing the belief that empowering women through education is a vital step towards building a more inclusive and progressive society.

EDUCATIONAL VISIT TO YELLOW SLICE CREAMERY

Students recently had an exciting and informative visit to Yellow Slice Creamery, where learning met delightful flavors. The visit offered a unique opportunity to explore the fascinating process of cheese making from start to finish.

During the session, students gained hands-on knowledge about how milk is transformed into cheese through various stages such as curdling, processing, and aging. The experts at the creamery explained each step in detail, helping students understand the science and craftsmanship behind this popular dairy product.

Overall, the visit was both educational and enjoyable, leaving students with a deeper understanding of dairy production and a memorable hands-on experience.

EXPOSURE VISIT TO MOONSHINE MEADERY

Students recently embarked on an exciting and educational industrial visit to Moonshine Meadery, gaining a unique insight into the fascinating world of mead production.

During the session, experts at the meadery guided students through the complete process of mead-making, starting from the selection of high-quality honey to fermentation, aging, and bottling. Students were intrigued to learn how traditional techniques are combined with modern practices to maintain consistency, quality, and flavor.

The visit to Moonshine Meadery proved to be an enriching experience, bridging the gap between theoretical knowledge and practical exposure. It inspired students to explore innovative avenues in the food and beverage industry while understanding the significance of quality, creativity, and sustainability in production.
